Subject: Recognition in Bosnia and Herzegovina - Technican in Computer Science

Dear collegaues

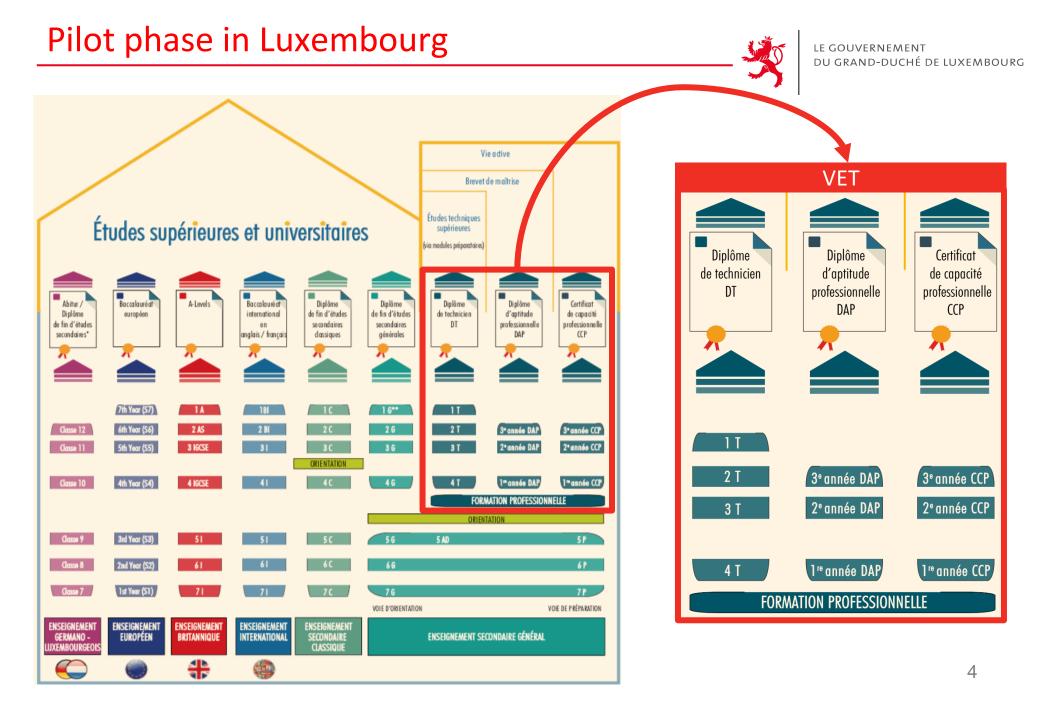

We are evaluating a secondary qualification related to access to higher education. May I kindly ask you for information whether the attached qualification give accesss to higher education and what is your opinion about the authenticity of attached documents.

Best regards,

Centre for Information and Recognition of Qualifications in Higher Education

Bosna i Hercegovina

- Vocational training = Tripartite between the ministry and the chamber of employees and the competent employers' chamber
 - ➢ 6 pilot classes
- Contact students

- Change of plans:
 - Europass release postponed
 - ➤ 4 pilot classes

- LuxTrust \rightarrow eSeal
 - > Challenge: eSignature \neq eSeal
 - EDCL Platform doesn't accept remote seal and no download of XML's possible
 - \blacktriangleright Contact person LuxTrust \rightarrow creation XML, seal XML and push with postman

School year 2020/2021

- Contact with schools/teachers
 - Creation Europass account in class
 - Form to tell us wallet ID
 - Challenge: missing students Email addresses
- SFP \rightarrow creation of a Program that creates XML's an pushes signed XML's to Europass
- LuxTrust \rightarrow integration of eSeal from ministry in signing platform
- Creation of XML's for every student of the VET department
- Challenge: first sealing attempt = blocking signing platform

School year 2021/2022

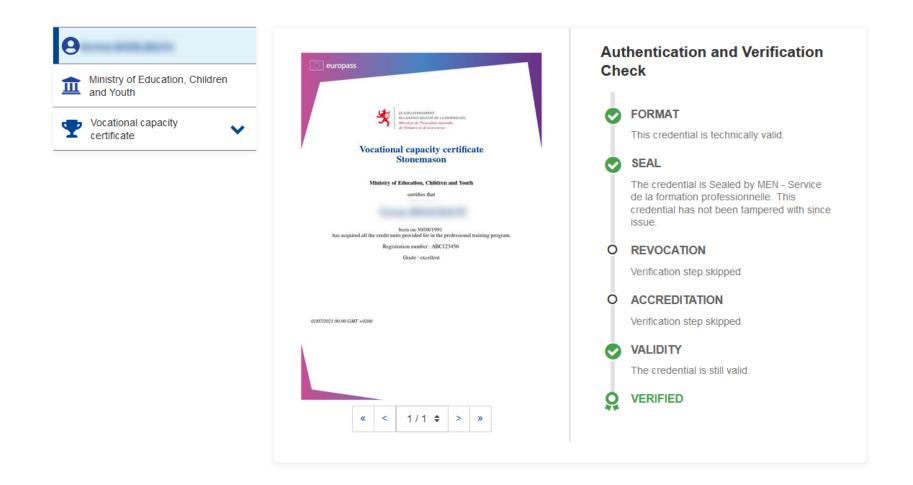

×

- Changes on the Europass platform
 - Possibility to integrate several languages in one XML (French, English, German)
 - Possibility to have several pages
 - > Possibility to add a link (attach the diploma supplement)

- Main goals:
 - Optimise of the procedure
 - Integrate a maximum of credentials/microcredentials in Europass
 - Support Anefore in promoting Europass

le ministère de l'Éducation nationale, de l'Enfance et de la Jeunesse. Le cycle de formation « Diplom+ » est basé sur des modules individuels permettant aux détenteurs d'un diplôme de fin d'études secondaires ou d'un diplôme de technicien de développer davantage leurs compétences

des données. Les participants apprennent à créer et exploiter des bases de données et à maîtriser les

Challenges

- Clarify difference between paper and digital
- Digital credentials are only electronic certified documents
 - No value if printed
 - Need of a computer

- Easy detection of falsified diplomas
- Secured platform
- Centralized platform
- European platform
- Very convenient: have your diplomas with you all the time

Thank you!
